25X1 1.	Comment. Normal training activities were continued at the Templin		
25X1	troop training grounds until 9 September.		
25X1	the training involved units of the 25th Tank Div and, probably, headquarters units of the Fourth Gds 1 cz Army, while units of the 6th Gds Mecz Div were		
25X1	rotated to the training area from their posts only temporarily.		
25X1 ² •	Comment.		
25X1	the composition of the column tends to indicate that it involved elements of the Fourth Gds Necz Army which, on 4 destender, had left Eberstalde toward the Templin training area.		
25X1	the columns also included units of the 6th Gds lecz Div. It is undetermined whether the units stayed at the troop training grounds or,		
25X1 25X1	in connecti n with the known corrand post exercise, proceeded toward southwest. This latter possic ility is supported by the fact that, on 5 September, columns, of the army passed through Neuruppin, proceeding toward Neuralt/Dosse.		
25X1 25X1	Comment. The train which carried to Kaulsdorf units of the 6th Gds Recz Div, was repeatedly, reported.		
25X1 4.	Consent. the third construction stage of the		
25X1	barracks installations northwest of Vogelsang as to be completed in September 195 The planned enlargement of the installation tends to		
25X1	indicate that quartering facilities did not meet the requirements; thus, the		
25X1	information according to which the Weisse Stadt settlement		
25X1	in Oranienburg allegedly was to be occupied by units of the 25th Tank Div in the fall of 1953, gains credibility.
